KCER MEETING MINUTES

Date: January 12, 2010	Time: 12pm Eastern	Location: Teleconference	Team: Patient Assistance Team
-------------------------------	---------------------------	---------------------------------	--------------------------------------

TOPIC	DISCUSSION	PLAN OF ACTION	RESPONSIBLE	DUE
Minutes and action items from previous meetings	Due to the holidays, many of the action items have not been able to move forward.			
Video for training patients and local emergency preparedness organizations	<p>Vernon contacted the Renal Support Network through Lori Hartwell's website and the writers' guild. Connected with Robin Segal to obtain connections to some potential entertainment/celebrities. Vernon Silva also found a patient organization that would like to contribute \$1000 as an anonymous donation.</p> <p>Jim, Brenda, and Peter will work on a template that includes information about KCER, the Patient Assistance Team, and how this will impact the community, how they will be thanked/compensated, funds required, a list of contributors, and how/where the video will be distributed (at all dialysis facilities)</p>	<ul style="list-style-type: none"> • Develop a template for making contact with potential funding providers (on hold for other items below) • Provide a realistic budget (production cost, cost of DVDs, distribution plan/cost) • Peter will send out the script again in order to provide a summary of 	<p>Peter, Brenda, Jim</p> <p>Brenda will provide an example video budget from a recent NW8 video</p>	<p>3/1/10</p> <p>2/15/10</p>

	<p>A budget should be completely nailed down before asking for potential funding. Previous videos run from \$25-35,000. Using actors might increase the cost of the video. It might be useful to use patient interviews. Sheila and NKF might be able to help find patients willing to share their disaster experiences/interviews.</p> <p>Jim will reach out to Liberty Dialysis. Kay Deck will reach out to DCI. Brenda can follow up with DCI. Darlene Rodgers will reach out to Innovative.</p> <p>Distribution: The video could be distributed via the web (KCER site, Network websites, YouTube, Facebook). Potential for hardcopy DVDs. Dialysis Patient Citizens is also interested in obtaining copies.</p>	<p>the point of the video (for the template proposal).</p> <ul style="list-style-type: none"> Review the list of KCER volunteers (ANNA, RPA, NRAA, etc.) and emergency management volunteers to seek other sources of funding. 	<p>Sherilyn will develop a list of KCER representatives</p>	<p>2/15/10</p>
<p>Emergency Preparedness Guide for Patients</p>	<p>The updated NKF manual should be available by the end of the month. Sheila will update the group via email. Sheila talked to Michele Spillane at the NCC to talk about the CMS manuals in the new patient packets. Brenda updated the group that the NCC is including the patient manuals in the new patient packets. Sheila will get clarification if the NCC is making their own copies.</p> <p>This manual should be consistent with other publications, especially the emergency renal diet. The team should review the manual for edits/changes.</p>	<p>Submit ideas or changes to Sherilyn Burris (sburris@nw7.esrd.net)</p>	<p>Everyone is welcome to submit ideas/changes</p>	
<p>NEXT CALL:</p>	<p>Next call is February 9, 2010 at 12:00 Noon</p>			
	<p>(Second Tuesday of each month)</p>
